

Japengo Café procures business essentials through mylinkDubai.com

In the Internet age when the world has become a small village, businesses big and small are using the immense power and reach of the World Wide Web for their advantage. Japengo Café, a branch of Bin Hendi Enterprises, has built a name as a contemporary restaurant which serves international cuisine. The Café already has five outlets in Dubai, with plans to expand further over the coming years. MyLinkDubai has enabled Japengo Café to **source hard to come by as well as kitchen and IT essentials** at the best possible price point including an Omega Meat Mincer, HP Handheld Printer and Scanner, Toshiba Label Printing Machine and a 52" LCD TV. As a result of embracing e-commerce, Japengo Café was not only was able to procure these item with ease at

the click of a mouse button, but **also saved time and money.**
