How to use Google Maps in your Tejari Online Showroom?

How do I place my company location on Google Maps?

To set up your location on Google Maps, go to "Manage Company Profile" under "My Account"

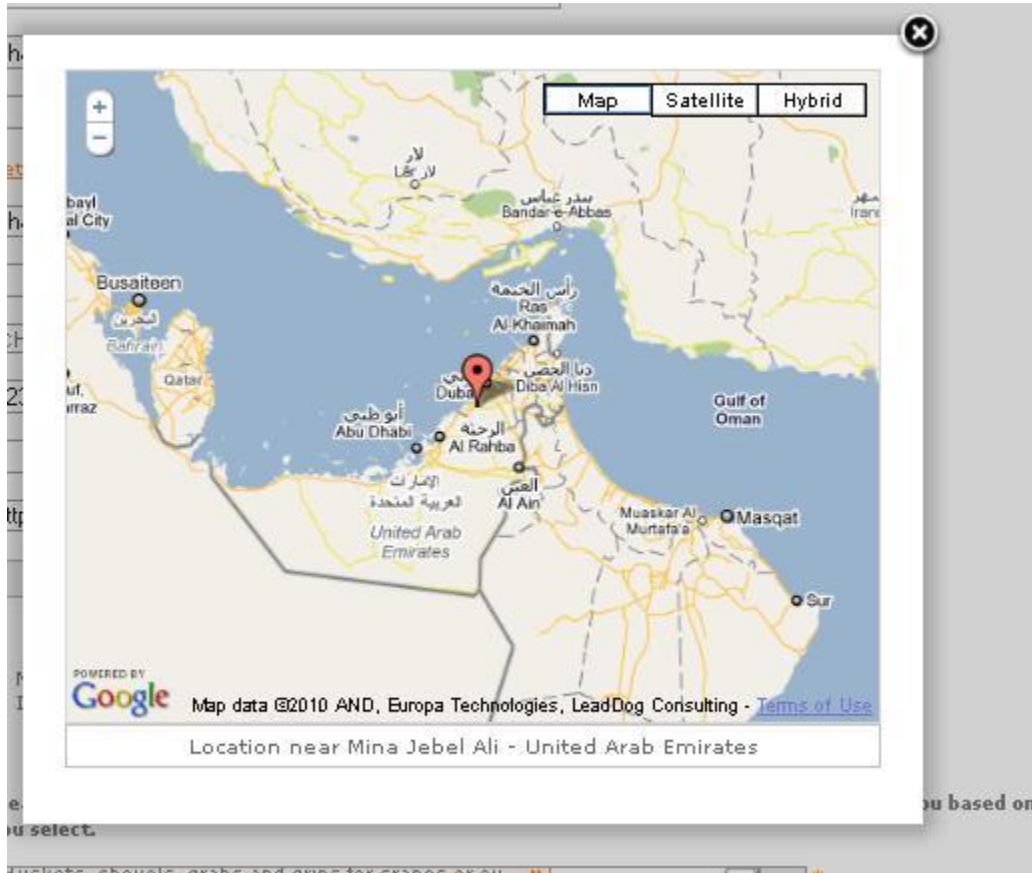

Then click on "Set company location on Google Maps"

EDIT COMPANY PROFILE

Edit your company information, set company industry, categories and keywords. Allow other members to interact with your keywords wisely to enable potential clients to contact you.

Company Name	Soherwardi Enterprises Pvt Ltd.
Package Type	eEXHIBIT Gold
Trade License	<input type="text" value="1000552009"/>
P.O. Box	<input type="text"/>
Address Line 1	<input type="text" value="dubai media city 1"/> *
Address Line 2	<input type="text"/>
Company Location	Set company location on google maps
City	<input type="text" value="dubai"/> *
Postal/Zip Code	<input type="text" value="00971"/>
Country	<input type="text" value="United Arab Emirates"/>

A Popup screen will appear where you can drag the marker and position it where your company location is. You can zoom in and out to get to your specific location.

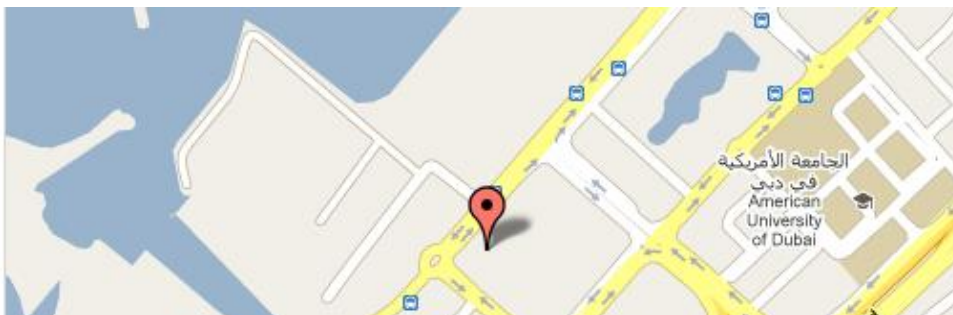

Please note the marker  refers to your unique location. You can drag it and drop it where you are located physically.

On the top left corner of the Google Map, you can use the following buttons to zoom in and zoom out.

Use "+" button to zoom in and "-" to zoom out.

Once you have zeroed in to your exact location as shown in the image below, click on the close icon on the top corner. 

Then click on the Update button (shown below) in the bottom of the page to save the changes.

Update

Congratulations, you have just posted your location on Google Maps. This will appear in your company showroom and direct traffic to your physical location.
